SunRail Open House Coming to Southern Orange County *This Saturday's Meadow Woods Train Tour Event is Connecting Communities*

Orange County – The SunRail train tour pulls into Meadow Woods this weekend for its third station tour and open house. It's happening Saturday, June 23 at the Meadow Woods Station, 120 Fairway Woods Boulevard, Orlando. The event goes from 10 a.m. until 2 p.m. It's expected to be another big draw. Open houses at the Poinciana and Tupperware stations drew an estimated 3,700 people combined.

New service is scheduled to open Monday, July 30, and the train tours provide prospective riders with a taste of what SunRail offers, including information about its 17-mile southern expansion. Also, the new schedule, which begins July 23, is being rolled out at the trains tours as well. Connectivity information is also available as LYNX representatives are attending.

SunRail is moving people throughout the region by providing work and leisure opportunities; connecting communities. The expansion adds four new stations; Meadow Woods in Orange County as well as stations at Tupperware, downtown Kissimmee/Amtrak and Poinciana in Osceola County. SunRail can make the daily commute fast, easy and affordable, as well as less stressful.
