## SunRail Rider Spotlight

### TIMOTHY SMITH

*Music Director and Organist  
All Saints Church,  
Downtown Orlando*

Timothy Smith is a new weekly SunRail rider who commutes from Winter Park to Church Street Station 2-3 times per week. A short walk to his office at All Saints Church in Downtown Orlando makes riding SunRail a no-brainer for Mr. Smith who has been riding SunRail now for two months. Once he tried it, he was hooked, saying the trains are clean and comfortable and the ride is always a positive experience.

When asked why he takes the train versus driving, Mr. Smith said: "I believe in it, and I want the numbers to go up". Beyond commuting, he also takes SunRail to events and says he enjoys seeing the community "packed in the train all heading to the same destination."

**Mr. Smith's wish - he would like to see SunRail go directly to the airport. At SunRail, we are studying this future expansion.**
