SunRail Train Activity This Weekend

Grade Crossing Testing near Meadow Woods

Orange County, Fla. – Expect to see a SunRail train running Saturday, June 8 as part of testing along the Central Florida Rail Corridor (CFRC) near the Meadow Woods station, specifically in the area of north and south of Wetherbee Road. Testing could occur on either track, with a train periodically traveling back and forth in this section of the corridor. The testing time will last for approximately four hours Saturday from late morning into early afternoon.

Please be careful around trains, railroad crossings, and while at station platforms. Be smart. Be safe. For more information about SunRail, including fares, schedule and station locations, please visit www.sunrail.com or download the new SunRail app.
